Comprehensive Plan Survey Results

In February 2015, Cadiz-Trigg County Planning Commission, in partnership with the Cadiz-Trigg County Economic Development Commission (EDC), distributed a questionnaire asking the following questions:

- Question 1: In your opinion, is the community growing, stable, or declining?
- Question 2: Please rate the economic development efforts of the community.
- Question 3: Is it important that the city and county work together on issues that are important to our community?
- Question 4: How important is tourism as an economic development factor in the community?
- Question 5: What do you think our community is doing well?
- Question 6: What can we do better?
- Question 7: What do you think is the most pressing needs of our community?
- Question 8: What questions should this survey have asked and how would you have responded?
- Question 9: What new or expanded retail businesses would you support?

Findings from Cadiz-Trigg County Planning Commission's 2015 Comprehensive Plan Questionnaire are provided on the following pages.
