*Note: A larger map is available at the end of this section.*

#### **Backbone A (Buckhorn Trail)**

This is a proposed 5.0 mile linear trail connecting the City of Buckhorn to Eagle’s Landing Campground. Trailheads are proposed at each end. Amenities along this route include a restaurant/store/gas station within the City of Buckhorn and a full-service campground with proposed stables at Eagle’s Landing. A “must see” is the Buckhorn Log Cathedral (c. 1928). *See Chapter II for more on the history of the Cathedral.*

*Above are a few of the sites one will see along the proposed Backbone A Trail.*
