

CHAPTER V:
ANALYSIS OF BACKBONE B “Lakeview Trail”

BACKBONE B “Lakeview Trail”
Connects Eagle’s Landing Campground to Buckhorn Lake State Resort Park

Note: A larger map is available at the end of this section.

Backbone B (Lakeview Trail) is a 5.9 mile trail that connects Eagle’s Landing Campground with Buckhorn Lake State Resort Park. Although alternates were considered for this connection, the availability of an existing waterline service road currently being developed into a trail by local officials made this route the obvious choice.
